Polymer Clay and Nature Study Class

Decorate Your Own Lightning Beetle Jar

Saturday, June 7, 9:00-11:30am

For families with children ages 5 and up, and adults with a kid still inside

\$25.00 per person class fee; additional family members \$12.00 each, parents helping free. (A portion of the fee supports the center!)

Decorate the lid of a lightning beetle jar with polymer clay, including glow-in-the-dark clay! While your clay cures, you will learn about these fascinating insects known as lightning bugs, fireflies, and lightning beetles.

- Reservations are required. Email pawpawpatchpro@yahoo.com or call 417-825-3318 to leave your name, age of children, number of people, and phone number.
- Bring a glass or plastic jar with a *metal* lid, if you have it. Everything else will be supplied - tools, supplies, tutorials, and lots more.
