

As a Missouri resident, the ARTS are important to me!

1. The ARTS generate income for our state.
2. The ARTS enhance our quality of life.
3. The ARTS improve education for our students.

Therefore, I respectfully ask that you support the requests from Missouri Citizens for the Arts for FY2017 as follows:

1. Appropriation of 60% of the non-resident professional Athlete & Entertainers' income tax (A&E) to Missouri Arts Council (\$24.million).
2. 40% distribution of A&E income tax to the four Cultural Partners.
3. Funding of the Missouri Fine Arts Academy at \$750,000.
4. Encourage the Missouri State Board of Education to support comprehensive fine arts instruction, 60 minutes per week for all students, & one fine-arts graduation requirement for high school.

Thank you!
